PENMANSHIP WORK

The penmanship classes are rejoicing over the success of their examination. A telegram from headquarters says that thirteen have made their final certificate and eight their improvement. Several fell short in a few details, and when these are made up, they also will receive certificates.

The following students have been awarded graduating penmanship certificates:

Helen Nolan, Eva Barnett, Bernard Roberts, Virginia Villalobos, Lee Moore, George Richards, Ethel Moore, Esther Miles, Esther Kohn, Alice Joy, Harold Mosier, Nellie Miller, T. Dawson, Katherine Sexton, Jennette Hemphill, Blanche Wooton.

Improvement certificates have been awarded to the following:
James Jones, Viola Hartman, Margaret Winborn, Joe Humphrey, Ruth Metzler, Wallace Kuthe, Marie Strait, Emma Murr, Lydia Schrader.

FROM AUTHOR

An interesting acknowledgment of copies of the Coyote sent her was recently received from Mrs. Edith Minner, author of the book "Nuts and Nibblers" that is just now springing into fame. She says in part: "It is a very excellent model for a school newspaper, and opens the eyes of us New Englanders to find far off Arizonians doing exactly the things we used to do at school."

Raymond Diebold, a member of the freshman class, has recently secured a position in the men's furnishings at the New York store.

Some of the "take-offs" on high school teachers in the freshman edition were decidedly clever.

BACK TO FARM

A number of high school pupils have stated their willingness to join the "back to the farm" brigade. Just exactly the definite plans of this idea have not yet been worked out but that it is going through as a "sure thing" is an absolute certainty.

The orchestra has rendered some very good selections of music during the past few weeks at the various class plays and affairs. A wonderful improvement over last year's work may be noted. This year the orchestra formed a club, with Leonard Herwig as president, and working in this way secured far better results than they would have ordinarily have done.

Next Thursday evening 90 seniors will receive their genuine warranted imitation sheepskin diplomas. Last year 108 graduated and the year before 30.

Several members of the Phoenix High school student body are leaving for their homes in other states. Carmen Hardin left last week for her home in Nashville, Tenn. Mary Burton will return to Mitchell, Ind., as soon as school is out and Marjorie Soler left last week to spend the summer traveling. All will return next year, however.

Principal Cook is a busy man these days, as he has been chosen by both Miami and Glendale as the orator of the day.

NEW BULLETIN BOARD

A new bulletin board has been constructed in the administration of domestic arts building. It is situated at

manager concerning streets, sanitation and park work was studied. Next Wednesday the club will picnic at Eastlake park. Basket luncheon will be served at 1:30.

The Harmony club at its Wednesday meeting made garments for the Associated Charities. During the afternoon Mrs. Elder was presented with a silver roller, showing the club's appreciation of the work Mrs. Elder has done as president of the club for the past eleven years. The presentation speech was made by Mrs. George Grisham. "The regular meetings of the club are over, but there is to be one more next Wednesday—a public card party.

The Congress of Mothers Parent-Teachers' association met Wednesday with members from the different associations in the city at the Red Cross room. At its next meeting, on Wednesday, it is hoped there will be as many present as possible.

The Chapter A of P. E. O. held its last meeting of the year at Mrs. Dyrant's Tuesday evening.

The new board of the Musicians' club met Thursday afternoon to arrange their program for the coming year, which is to be in the form of a year book. Next Friday the old board will entertain the new at the home of Mrs. C. E. Battin.

Twenty-five members of the Ladies Aid Society of the Grace Lutheran church met at Mrs. F. Louis Zimmerman's Thursday to sew for the Red Cross. Each lady donated some part of the luncheon and twenty-five cents. Mrs. W. R. James furnished material enough to keep the ladies busy the greater part of the day. Mrs. Zimmerman was assisted by Mrs. Chester Reed and Mrs. Stitz.

The regular meetings of the Glendale Women's club are over, although its members meet once a month at the Red Cross room. Wednesday night an entertainment was given for the benefit of the club. There was a

rectly in front of the large opening doors and easily seen. To Mr. Turner, the credit of manufacturing this case must be given.

Dad Scull has added screens to the windows of the "Waldorf Astoria" now in order to keep the flies from infesting this popular hostelry.

Swimming is beginning to hold an interest for high school students now as summer approaches. Parties are going out every day or so to the various canals and to Joint Head dam to cool off. With the opening of Riverside there will no doubt, be large numbers of our student body flocking down there.

JUNIOR-SENIOR DANCE

Details of the junior-senior dance have been given out. The dance which will be held in the west wing of the high school auditorium will begin promptly at 8:30 o'clock Friday, May 25, and will end at 11:45 a. m. No smoking will be allowed either in the hall or on the campus. Ten chaperones will be chosen from the teachers and an equal number from the parents of those attending. Only bona fide juniors or seniors will be admitted; admittance to be gained by ticket, which can be secured from the secretary of the school.

The dance this year should be a success as the seniors have expended much effort toward securing it. Though the rules of the dance permit only thirty dollars to be expended upon it, the seniors will probably have numerous decorative schemes, etc. supplied by themselves with which to make the hall attractive.

The basketball team at its meeting this week, sent a letter with communications from all of them to Paul Wright, their former captain, who is now in training at San Francisco.

Mr. Cook says that maybe the Coyote of next year will not be the weekly newspaper as it now is, but a publication in magazine form. If the Coyote is changed from a newspaper to a literary journal, it will be published less often, be larger, and contain no news, simply being devoted to short stories and essays written by students.

Mr. Elliott, professor of physics, gave the first of a series of three final examinations Friday. The first examination counted 40 per cent, the next will count 35 per cent and the last will be rated at 25 per cent.

FINISHING TESTS

Friday the junior English classes, under Mr. Stauffer, were given the first part of their final test. The test was oral and consisted of two of the most important poems in the American literature. They were, "O Captain, My Captain" by Walt Whitman and "Thanatopsis" by William Cullen Bryant. Mr. Stauffer graded on the delivery, memory, and attitude.

Among others who have returned to Phoenix and visited their old school is George Luhrs. George graduated from this school a year or two ago, and was certainly one of the most popular boys in school. He was also one of our best track men. Welcome to our home again, George.

musical program followed by a box supper, the proceeds of which will go towards a new curtain for the club's stage.

The Friday club has completed its work for the year and has its next year's committee at work on their new program. They will first finish their study of China and Japan and begin the colonization of the European countries.

Members of the Civic League are greatly to be commended for their kind thoughtfulness of the boys on the border. It has been suggested that when they have another donation day the response would be greater if they would explicitly state just where and when donations will be received.

About \$75.00 was realized at a dance given by the Woman's club for the benefit of the Red Cross, on Saturday evening, May 12.

The Orangewood Ramona club entertained its members at luncheon last Wednesday at the home of Mrs. T. L. Sterkel. The guest of honor was Mrs. A. L. Jones, who is leaving next week for her new home in Liberty, Missouri.

The decorations were very elaborate, the pink and white color scheme being carried out in sweet peas, roses and carnations. The president of the club, Mrs. J. W. Baumgartner, was toastmaster and each of the twenty-two members present responded with words of love and esteem for their departing friend who has been such a willing worker in the club. A handsomely bound volume of Wiley's Poems was presented to Mrs. Jones from the club. The last meeting of the year will be held next Wednesday at the home of Mrs. A. S. Haus, 742 West Pierce street. It is to be a combination meeting—a social and business session.

The members of the Priscilla club entertained at luncheon, Wednesday, at the Young Men's Christian Association, the board of directors of the Arizona Deaconess hospital. The guest of honor was Bishop A. W. Leonard, D. D., L. L. D., of San Francisco. Other guests were Rev. George L. Pearson, Dr. A. M. Adkinson, Dr. F. M. Larkin, and Rev. J. S. Burcham.

This is the opportunity of your lifetime to own all the knowledge of the world

—this is what it means to you to own the Britannica printed on genuine India paper. When the last door (in above picture) closes, it will be too late for you to reconsider. Six days from today at the most—and to be on the safe side, if you really want this wonderful work, you should order NOW.

Nevertheless, we want you to assure yourself that this great storehouse of knowledge will pay you dividends on your investment. For the Britannica is in fact an investment—it pays dividends through

a greater earning capacity, the result of increased knowledge

Why You Should Buy the Britannica

Hundreds of letters have come to us testifying to the everyday value and practical usefulness of the Britannica.

James S. Pinckard, a lawyer at Montgomery, Alabama, writes: "I have had my set of The Encyclopaedia Britannica for more than five years and think more of it now than I did the day it was delivered. It is my most entertaining, instructive and valued friend. In fact, I hold it next in my affections to the members of my family. I really think it is the greatest book of the ages."

From Earl Bratton, Edgerton, Ohio: "I am highly pleased with the books in every way; also with the installment plan which enables me to purchase the books."

George A. Holderness, President of the Farmers Banking Trust Co., Tabors, S. C., says: "As a reference book I find your new 'Encyclopaedia Britannica' of immense value, but to my boy in high school it is simply essential."

We could quote pages of such letters from people in all walks of life, active, busy, successful men and women who own and use and profit from the Britannica.

The Britannica is a practical library of knowledge that every one can use to good advantage—a library of facts and information for the husband in his business, the wife in her home, the children in their school work.

Wouldn't you profit from having such a wealth of knowledge and facts constantly at your beck and call? Wouldn't you increase your earning capacity, enjoy more of the comforts of life, if you knew more and could therefore do more?

Think it over NOW. And decide NOW.

A Wonderful New Volume

THE publishers of the Encyclopaedia Britannica announce that they have made arrangements for the issue, as soon after the end of the war as possible, of a new volume, containing a full and authoritative history of the war.

The new volume will be written by scholars and experts of the same high character as those who wrote for the Britannica itself, and by many of its own contributors. It will be absolutely impartial, excluding all partisan feeling and prejudice. It will contain

1. A judicial account of the real causes of the war, the progress of the struggle, and the results all over the world; with maps, as necessary, to show changes in boundaries.
2. The lives of the new leaders, whether civil, military or naval, in the belligerent countries.
3. The results of the war outside the sphere of fighting, the progress of surgery, the prevention of contagious disease, the new scientific discoveries, etc.

The new volume will bridge the gap between the days of peace before and after the war. It will be printed and bound to match the Britannica, and the publishers guarantee that no matter how difficult and costly the supplementary volume may be from the editorial point of view, the price of it to all who purchase the Britannica during the present sale will not be more than that of a corresponding volume of the Britannica.

will secure you a set. You pay the balance in a limited number of monthly amounts (as low as \$3 for the cloth binding) and profit by the use of the books while paying for them.

You have read some of the Britannica advertisements from time to time, and you know the situation. It is not necessary for us to say anything more—the India paper sets on hand are getting fewer every day.

Therefore these advertisements are getting shorter every day—the matter is entirely up to you. All we can say is: Decide NOW. And if your decision is that you want one of these last India paper sets of the Britannica, then ACT. It is the only way to be absolutely certain of obtaining one of these last sets.

Either go and see the books at once or fill the "Reserve Order" form in the lower right hand corner and mail it in today. If more orders are received than we can fill (because the remaining sets are so limited), preference will be given to those which reach us earliest.

You can examine the Britannica, make your choice of binding and leave your order at:
